VARIETY

ISLAND RACK

AVAILABLE IN CUSTOM SIZES IN
QUANTITY

How about a permanent island chip display for permanent sales growth, not the temporary cardboard for a temporary set-up that loose salsa sales too [no spot for salsa on cardboard displayers].

This chip / salsa island display is versatile in that all shelves are adjustable on both sides. 1/14" ptm on all adj shelves. Side adj baskets available.

Great for the Wall Of Values or as an Island Display with salsa / snack side baskets.
